

Empower Your Team. Enhance Engagement. Mitigate Risk.

As a leader, you know that a thriving workplace culture is built on trust, transparency, and communication.

That's where The Culture Curators' Speak Up service comes in—**your all-in-one platform for employee feedback, reporting, and recognition.**

A SMARTER WAY TO LISTEN, SUPPORT & CELEBRATE YOUR TEAM

Give your staff a voice using SPEAK UP ONLINE PLATFORM

Mitigate Psychosocial Risks

Provide employees with a safe, confidential avenue to report workplace concerns.

Encourage Innovation

Capture valuable ideas and insights to drive continuous improvement.

Celebrate Achievements

Foster a culture of appreciation by recognising employee wins and contributions.

Why Your Organisation Needs SPEAKUP

The Culture Curator's Speak Up Online Platform provides a secure and confidential avenue for all staff to report concerning workplace behaviour without fear of judgement or retaliation.

Beyond reporting concerns, the Speak Up Platform also serves as a valuable tool for employees to share innovative ideas, suggest process improvements, and celebrate achievements. SpeakUp helps organisations maintain WHS compliance as well as proactively supporting the wellbeing of staff.

About The Platform
